## FREE ADVICE TO SICK WOMEN

Thousands Have Been Helped By Common Sense Suggestions.

Women suffering from any form of female ill are invited to communicate promptly with the woman's private correspondence department of the Lydia E. Pinkham Medicine Co., Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence. A woman can freely talk of her private illness to a woman; thus has been established a confidential correspondence which has extended over many years and which has never been broken. Never have they published a testimonial or used a letter without the written consent of the writer, and never has the Company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which they have to draw from, it is more than possible that they possess the very knowledge needed in your case. Nothing is asked in return except your good will, and their advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is too expensive. It is free and only obtainable by mail. Write for it today.

## STOCKS STILL DROP DOWNWARD

Rain Is Welcome After Drought but Not Heavy Enough Yet

Stock prices continued their downward path today, and Onomea, Olan, Oahu and Waiolua were the chief sufferers in the slump. Waiolua finished out on the morning exchange session with two sales of fifty shares each at \$115, a drop of \$30 in a few days. Oahu is slow at \$25.87 1/2. Olan is down to \$6.50, and Onomea has got considerable play at \$50.

The stocks in which no sales were made showed the same weakness in the bidding. The last sale of Ewa was at \$21.75, but the best bid today was \$21, and only \$21.50 asked. Dry weather is said by some of the sugar men to be partially responsible for the weakness of the market, the continued drought in many sections playing some havoc with the cane, although it is not held to be serious. The sudden shower of last night was greeted with delight, but so far, the reports from the outside districts are too meager to show just how widespread the fall of rain has been.

The stock of the O. R. & L. Company went on the new basis of capitalization, \$5,000,000, today, with \$136 bid. The usual stock changes are being made with the transfers closed, and the stock dividend of 25 per cent., which was settled upon some weeks ago, will be issued as of July 1.

## HIGHER COURT TO TAKE BAIL

Persons arrested on Kauai and desiring to give bail will have to apply to the Supreme Court of the Territory until the President appoints a successor to Judge Hardy. This was discovered yesterday when two officials on the McBryde plantation, arrested on a charge of assaulting a Japanese woman, sought to give bond for their appearance in court.

Attorney General Lindsay replied to the query of their counsel, Attorney W. J. Sheldon, stating that in the absence of the circuit judge the only persons authorized to accept bail are the members of the Supreme Court. All other cases must be postponed indefinitely and it is thought unlikely any court term will take place before some time late next fall.

## TWO APPOINTMENTS ACTED ON SHORTLY

Two appointments probably will be made by Acting Governor Mott-Smith before the return of Governor Frear. These will be to fill the vacancies left by the resignation of O. L. Sorenson, from the board of Liquor License Commissioners, and of D. P. R. Isenberg from the Board of Agriculture and Forestry. Their successors will be named within the next few days.

## BIG LABOR TRAIN.

Carrying approximately 2000 passengers on every daily trip the labor train which leaves Paamotu, Canal Zone, every morning for Pedro Miguel and returns at night is the largest ever operated for canal work and is said to carry more passengers than any other regularly operated train in the world. The train consists of fifteen cars.

There is a considerable scramble among local business concerns for the furnishing of supplies to the City and County of Honolulu during the next six months.

Throughout the morning, the mails as well as messengers have been pouring into the office of City and County Clerk Kalahoukani with tenders for material and supplies for the municipality.

At a meeting of the Supervisors called for this evening, bids for supplying the various departments with a wide variety of merchandise will be opened.

Supplies for Honolulu county jail will also receive attention at this time.

It is understood that the bidding for the municipal trade will be exceedingly brisk, judging from the number of tenders already received.

The matter of burial for indigent dead is another matter that will be acted upon at tonight's meeting.

## MINISTER SAYS MIKADO WICKED

Japanese Divine Lecturing on Alleged Bigamy of Monarch

Traveling in the steership of the "Chiyo Maru," which passed through here en route to Japan, Rev. T. Kikita, a minister in Honolulu, says that the Mikado, is returning to his native land.

Rev. Kikita, said to be one of the most influential pulpits speakers in Japan, has been giving a series of lectures in the principal cities in California. While engaged in the lectures, he is reported to have told the Japanese audience that the Mikado of Japan is a disgrace to the Island Empire and attacked him for having several wives.

T. Hata, one of the intimate friends of the minister in Honolulu, says that the Rev. Kikita made a strong appeal to the Japanese in the States to fight against the Mikado's ideas. He said that it was about time for the Japanese to wake up and as a nation tell the emperor to change his ways in order to save Dai Nippon from disgrace and downfall, which, he said, would inevitably come about in the near future.

During his short stay in Honolulu Rev. Kikita was entertained by Mr. Hata and other friends. He is said to have expressed a fear that he would get some severe treatment after he gets to Japan, on account of his prophecies.
